

### **Lesson Overview:**

This week we finish our series "Healthy Habits" with the sermon "Why Should I Share My Faith?" This month we will be focused on the healthy habits of Christians in their walk with God. We will be wrapping this series by looking at the importance of making sharing your faith a daily habit. Taking time to influence others with the love of God is an intentional act we are all called to do. By understanding the call God has placed on each of us to go and "reach our 3" we can have an influence that will transform lives and change the world.
