

**Lesson Overview:**

This week we will continue our series “Servolution” with the sermon “The Power of Team”. This week we will be looking at the truth that we are better together and as a team we will be able to accomplish more than we ever will by ourselves. We each have a role to play in the team and serving each other we will change the world for Christ.

Lesson Prep for Leaders:

Main Bible Passage: Ecclesiastes 4:9-12, Proverbs 27:17, Ephesians 4:16

Questions to ask yourself:

- What happens to a team if they do not support each other?
- What do the above verses teach you about the power of a team?
- What can teams do that no individual can do? What are the compounding benefits of a team working together for a goal?

Icebreaker (5 Min): How is school going? What is happening right now for you?

Students Lead (5 Min): Talk about the illustration used today with the balloons. What does that teach us about a team?

Discussion Questions (10 Min):

- The Bible tells us two are better than one, and together we make each other better, why do you think this is true?
- What relationships have you had which have improved yourself personally?
- How can teams go further faster than individuals? How do you apply these ideas to your life?

Next Steps (2 Min): Make a small group commitment to each other. Come up with a plan of how you can be better together and what specifically you plan on doing to create change in the student ministry next week.

Prayer (2 Min): Close your time in Prayer.
