HELPFUL REMINDERS

- Most reminders can be summed up as follows: Since we are a Christian ministry, we want to exemplify the Christ whom we serve. Be sensitive to your host family in all areas, remembering that your culture and way of doing things may be different from theirs. For example, they may be accustomed to an early bedtime.
- Other issues such as child care and supervision, transportation, and meals are your obligations.
- If the host family does **not** offer you access to appliances (refrigerator, TV, computer, etc.), please assume that is their desire not to do so.
- Communicate daily with your hosts, so they know when to expect you.
- Upon departure you may want to clarify what to do with sheets, towels, trash, etc.
- A gift and thank-you card are appropriate expressions of your gratefulness. As you get to know your host family, God may show you a special way you can bless them. Gifts cards are always nice gestures.
