

Lesson Overview:

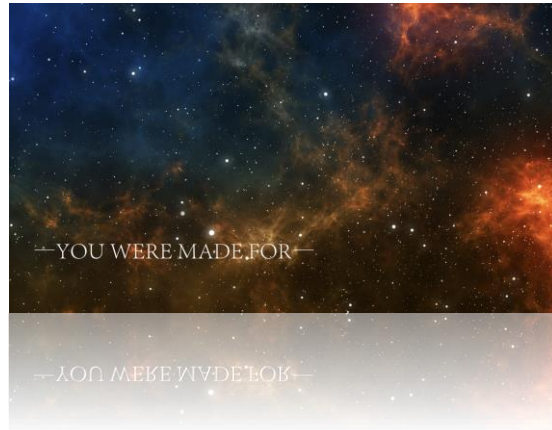

This week we begin our series “You Were Made For”. We will take time this month to develop the simple truth that we were created to be instruments of and live our lives in worship to God. This week we begin our conversation by looking at “What is Worship?”. By understanding what a heart of worship looks like and how that heart is expressed in our daily lives and weekly experiences, we can grow closer in our walks with God. When students learn to worship, they learn to encounter, see, and experience God in a deeper way.

Lesson Prep for Leaders:

Main Bible Passage: Luke 10:38-42, Matthew 18:19-20, Psalms 84:10

Questions for Leaders to ask yourself:

- What does worship mean to you?
- How can someone express themselves in worship?
- When have you experienced the most personal moments of worship? What made these times of worship more impactful?

Icebreaker (5 Min): Ask what recent movies or shows the students have been watching.

Students Lead (5 Min): What do you think of when someone says worship?

Discussion Questions (10 Min):

- How can worship be more than simply singing a song at church?
- Why is connecting with God during worship important? What does this look like or mean to you?
- What prevents you from worshipping? How can we remove distractions or routines to focus on worshipping our Father in heaven?

Next Steps (2 Min): Take a few moments for each student to decide how they will set time aside to worship God this week at home. Have them choose, when and where they will make time.

Prayer (2 Min): Close your time in Prayer.
