All adults of Crossroads Fellowship, regardless of life stage, have a place to gather and mingle on Sunday mornings! We'll also be offering meaningful classes starting at 9:15 and 11:00 where you can deepen your understanding of God and gain insight into practical biblical principles that you can apply to your every day life. ### Growing Station (Nursery-Infants, Crawlers, Waddlers & Younger Twos)

9:15 am and 11:00 am

Our babies are cared for in a loving, safe and nurturing environment called the Growing Station. Specifically this area is for children who are two by 3/1/08 and younger. The Younger Twos and below are divided into four groups (Infants, Crawlers, Waddlers and Toddlers), each have their own room in the Growing Station. Jenn Harrington is the staff person who trains and equips the leaders in this important area of our church. If you have any questions or would like to volunteer, please email Jenn Harrington, [growingstation@crossroads.org](mailto:growingstation@crossroads.org).

### Preschool-Lil' K (All Older Twos-Younger Fours)

9:15 am and 11:00 am in Rooms 1B and P2

Fun, energetic and loving leaders teach our preschoolers. They use a curriculum called Little K. A multimedia-based curriculum combines teaching time, memory verse time and an exciting time with an animated character named "Lil K". All this is done in a "Blue's Clues" style format to influence your child with the Bible message. If you have questions or would like to volunteer, please email Maria Melgarejo, [maria.melgarejo@crossroads.org](mailto:maria.melgarejo@crossroads.org).

### Elementary

We have two different worship and learning opportunities for elementary-age children on Sunday mornings.

#### Elevate

9:15 am

Smaller groups and more individualized attention are the distinction of these special classes. Each classroom is separated by grade and staffed with trained teachers who use a curriculum called Elevate to communicate God's Word in creative and fun ways toward younger elementary children. If you have questions or would like to volunteer, please contact Pastor Jim Shelton, [jshelton@crossroads.org](mailto:jshelton@crossroads.org).

#### Kidmo

11:00 am

Elementary students meet together for a fast paced program full of Bible lessons, games and memory verses. If you have questions or would like to volunteer, please contact Pastor Jim Shelton, [jshelton@crossroads.org](mailto:jshelton@crossroads.org).

### Middle School (Rising 7th-8th Graders)

9:15 am in the Student Theater (Worship)

11:00 am in the Student Center Deck (Sunday School)

This is the place where we shatter the "typical" Sunday morning thought process that students may have about going to church on Sundays. It is fun, high energy, interactive and it makes sense. Students interact in an energetic worship experience that will literally get them jumping and singing. But the most important part of the Sunday morning experience is our time in God's Word.

### High School (Rising 9th-12th Graders)

9:15 am in the Student Center Deck (Sunday School)

11:00 am in the Student Theater (Worship)

Our Summer series offers students an opportunity to experience an awesome time of worship together and to receive relevant teachings.

### Abilities Enabled STAR Class

11:00 am in the STAR Room

11:00 am in the Kairos Room (Teens)

This class is a fun and relaxing time for children with special needs, allowing parents and care givers some alone time to worship or attend a Sunday School class.

## SMALL GROUP OPPORTUNITIES

### Small Group Neighborhood Cookouts

Looking to connect at Crossroads? How about right in YOUR neighborhood? That's right! We'll be hosting Summer cookouts to help you get connected in a small group right where you live. Look for specific locations in the Sunday bulletin over the summer! Questions? Email John Frye, [frye@crossroads.org](mailto:frye@crossroads.org).

### Dinner Groups

If you are new to Crossroads, or if you've been here for years, and you're looking to connect with a few new friends, you should try Dinner Groups. Dinner Groups will start in June in homes to share four meals together over the Summer.
