

# KEEP OUR CAMPUS SAFE DURING COVID-19

HERE'S HOW WE ARE COMMITTED TO KEEPING OUR CAMPUS CLEAN:

We will sanitize highly-touched surfaces before and after every service (ie. doors, handles, tables, welcome centers, sinks, etc.).

Our staff and volunteer teams will wash their hands frequently and stay home if they are sick.

We will provide additional hand sanitizer stations around campus for everyone to use.

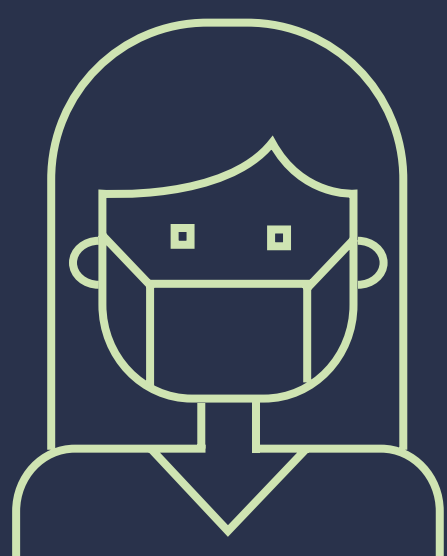

There will be offering depositories available by the exit doors. You may also give online at [crossroads.org/give](https://crossroads.org/give).

## HELP PREVENT THE SPREAD OF COVID-19 IN THE FOLLOWING WAYS:

Practice social-distancing by maintaining a 6 ft distance in our worship venues and hallways. Substitute shaking hands and hugs for a wave and a friendly smile.

Cover your sneeze or cough with a tissue or your arm. Get in the habit of NOT touching your face.

Wash your hands often with soap & water especially after going to the bathroom, after blowing your nose, coughing or sneezing.

Stay at home when you or a family member are sick. *\*If you or someone you know tests positive for COVID-19, please let us know so we can find a way to help, pray for everyone involved and take any precautions here at Crossroads Fellowship.*

*\*By entering this building where the Covid-19 virus may possibly exist, despite our best efforts and our best attempts at utilizing and employing CDC and NC Department of Health guidelines and preventative procedures, you take full responsibility for the decision to attend our services and activities and for any future health conditions which result from placing you and your family in this environment.*
