

In our series on prayer we will be walking our students through all the aspects of prayer. This weeks message is titled "Hannah's Prayer". When Hannah received the child she begged God for, her first instinct is to praise the One who provided. She wanted to thank Him for His greatness and His deliverance. Too often we pray before receiving, but then forget to pray after God answers.

**Special Note: Please be in prayer for your conversation today and this month. We will focus our discussions which should lead to honest conversation. Pray before your breakout and ask students to be honest during the conversation**

### **Breakout discussion (20 Min):**

- Read Hannah's Prayer - 1 Samuel 2:1-10, How did she praise God after the gift she received?
- When is the last time you spent time actively thanking God for the things He has done for you?
- What was said today that stood out to you the most? How will it apply to your life this week?

**Next Steps (5 Min): Take time to pray for the students in the breakout group. Have groups write down prayer requests. Figure out a follow up plan as a group. Empower students to follow up with other students this week.**

**Prayer (2 Min)** Take requests and pray for them. Have everyone write them down.
